

Benefits for Sponsors

Team Vyoma is the Aero-Design club of RVCE, presently working on design and construction of an RC plane to participate in various International and Domestic Competitions (AIAA DBF, SAE Aero Design, National Aeromodelling Competition etc.) and would require financial aid in travelling to these competitions. The Travelling Budget for the entire project for the season 2025-26 has come down to **Rs 11,50,000**. The sponsors of Team Vyoma are entitled to enjoy the following benefits:

Tax Benefits-

- Sponsorship made to the team is eligible for tax benefits even if it is done through the CSR (Corporate Social Responsibility) funds of the company.
- Any contribution made to the Team is eligible for exemption under **Section 80G** of the Income Tax Act. The RSST is registered with the Income Tax department for the same and will be eligible for up to 100% tax deductions under the aforementioned section.

Apart from this, the following are the benefits that will be offered by the team (the following benefits are cumulative):

- **Up to 1 Lakh- (Silver)**
 - Publicity through social media handles. Promotion during outreach events.
 - Acknowledgements and mentions in research papers.
 - Company logo on the Team Vyoma website.
 - Company logo on all RC planes flown by Team Vyoma
- **Above 1 Lakh- (Gold → Inclusive of Silver benefits)**
 - Company logo on the official merchandise of the team and on the social media handles.
 - Conducting placement and internship drive in RVCE.
 - Setting up of industry-based Innovation Labs in association with department of Aerospace Engineering.

Regards.
